Dear Policyholder,

We thank you for staying with us, through the years, in one of the most popular Health Insurance Schemes, A B Arogyadaan, that was floated exclusively for Customers of the erstwhile Andhra Bank. We are glad to inform you that this Policy is being continued, even after the amalgamation of Andhra Bank into Union Bank of India, thus ensuring support and continuity of Insurance Cover.

Unlike last year, when some of you experienced delays in communication, we are ensuring this time that all Systems are in place for a smooth Renewal exercise, despite various operational difficulties that we have been facing due to COVID19.

The Premium structure as required by our regulatory norms of staying viable, have been modified slightly in consonance with the Claims Experience that we have had over the last year, as per the Rate Charts attached.. Your Premium payable has been shared over SMS sent by us on your Registered Mobile Number. However, we would like to assure you that the Rates that we have offered to you through AB Arogyadaan are still far lower than the Products that we are selling in the Market. However, 12 Modern Treatment Procedures viz. Robotic Surgeries , Oral Chemotherapy, Stem Cell Therapy, Balloon Sinuplasty etc. are included in the Policy.

Since Age is an important criteria, in case of any dispute, do provide Proof of Age of all Members of the Family, that will help us carry out the necessary rectifications. Also updating your Phone and E Mail IDs will help us all greatly in being able to communicate and resolve issues more speedily.

Those of you who have Dependant Family Members crossing Eligibility Norms – on Account of Completion of Studies, Marriage, being older than 26 years, can still opt for a separate Policy with Pre-Existing Waiver Benefits built in. You may also revise your Sum Insured or Switch Plans, according to your needs by submitting a request letter at your Bank Branch.

We seek your continued association with us and hope you will stay on in the Arogyadaan Scheme that we will be running for the 17th Year. For any Queries or clarifications, you can contact us, preferably over E Mail or Call or SMS us at 9849530131. You can also get in touch with your Bank Branch for further information.

Thanking you, and Wishing that you Stay Safe

Yours faithfully

BANCASSURANCE DIVISION,
